During six days this summer artists and craft makers from SEAS, Deal's vibrant artist collective, extend a unique invitation to the public. For more information <http://www.searts.co.uk/>

## Welcome to this year's Deal Festival of Music and the Arts

Deal Festival is about far more than its summer festival. We reach deep into education activities, raising awareness, aspiration, opportunities and providing platforms for music making. One example is **Bold As**, one of our core education programmes. We are proud too of our special associations with leading music organisations such as **Trinity Laban**. We thank all those who give so generously to Deal Festival, especially **Arts Council England**.

This summer we move from the **splendours of C16<sup>th</sup> and C17<sup>th</sup> Venice** with the combined forces of the **Academy of Ancient Music, Guildhall School of Music & Drama and Choir of Canterbury Cathedral** to **London's jazz imbued Soho** with the brilliant **Ronnie Scott's All Stars**, from witty tales about the **Duke of Wellington** to the uproarious humour of **Worby and Farrell**. We see the evocative music of **Debussy and Messiaen** through the eyes of **artists** and the movement of **dancers**. We discover **Shakespeare's** tales of love either in the romantic setting of **Walmer Castle** or through the visceral music of **Stravinsky** and the exhilarating passion of **physical theatre**. By popular demand we welcome back the great **Grimethorpe Colliery Band** and **Ukulele Orchestra of Great Britain**, and we also welcome for the first time special ensembles such as **Wiener Kammer-Symphonie** and Cambridge's **Choir of Gonville and Caius**. We offer platforms for some of the **best young musicians**, be they ambassadors from Kent such as **Matilda Lloyd (BBC Radio 2's Young Brass Award winner 2014)** and brass finalist of **BBC Young Musician of the Year** or charting dynamic paths into glittering careers such as the outstanding pianists **Maksim Šišura, Imma Setiadi and Nicholas McCarthy**. We are very proud to be associated once again with the **Band of the Royal Marines**, who are such an integral part of the fabric of Deal and its illustrious history.

While in Deal, enjoy the work of many fine **SEAS artists**, live poetry, historic landmarks and magnificent landscape and savour the town's food and wine. Enjoy!

Opening Night Wine and Canapé Reception

Wellington at Walmer**

*8.00pm St Andrew's Church Hall and 8.30pm at St Andrew's Church,  
West Street, Deal*

After the decisive battle of Waterloo, the Duke of Wellington was honoured by being made Lord Warden of the Cinque Ports. For almost a quarter of a century, the Iron Duke spent a large part of every year in residence at Walmer Castle. Although he lived a spartan regime, he welcomed a host of distinguished guests including the young Queen Victoria at his 'charming marine residence'. The Duke endeared himself to his neighbours through his warmth, humour and generosity although he kept an ever-watchful eye on his old arch enemy - France.

This is an ensemble production by candlelight based on letters, diaries and newspapers of the period.

The play is written by GREGORY HOLYOAKE author of the biography 'Wellington At Walmer'.

**The Wicked Trade - Smuggling in Deal**

*Walk*

During the French Wars, smuggling was at its peak. Taxes were raised on luxury goods - tea, tobacco, alcohol and fabrics - to pay for the expenses of warfare. Deal - 22 miles from the Continent - became the very centre of smuggling in Britain. Everyone in this port was involved in contraband from the boatmen who were the actual carriers to the magistrates who funded their illicit activities. Little wonder then that Pitt's government invested more money and resources than anywhere else.

Our host, GREGORY HOLYOAKE, author of *Deal: Sad Smuggling Town*, will conduct a 2 hour brisk stroll starting at the seaward side of Deal Castle. Finish at The Astor for refreshments.
